

WEST KENTUCKY COMMUNITY & TECHNICAL COLLEGE
ASSOCIATE DEGREE NURSING PROGRAM
AMERICAN HEART ASSOCIATION
CPR COURSE FOR HEALTHCARE PROVIDERS

COURSE OVERVIEW

This course is the Basic Life Support Course for Healthcare Providers sponsored by the American Heart Association. Areas of content include adult cardiopulmonary resuscitation (both one-rescuer and two-rescuer), child cardiopulmonary resuscitation, and management of foreign body airway obstruction in infants, children, adults and use of the AED. The course uses lecture, demonstration and practice to facilitate the learning process.

**Attendance at the session is required for course completion.
CERTIFICATION IS FOR A TWO - YEAR PERIOD.**
