

INCLEMENT WEATHER POLICY

The college will remain open and conduct classes according to the regular class schedule except under extreme weather conditions. In the event it becomes necessary to deviate from this policy, however, classes may be delayed or cancelled.

If the weather is such that it appears inadvisable to travel in the early morning until road conditions improve, the college may delay the beginning of classes by announcing that a *delayed schedule* is in effect. The *delayed schedule* is detailed below:

Monday, Wednesday & Friday Classes

8:00 am classes meet from 10:00 am to 10:30 am

9:05 am classes from 10:40 am to 11:10 am

10:10 am classes meet from 11:20 am to 11:50 am

11:15 am classes meet from 12:00 pm to 12:30 pm

12:00 pm and 12:30 pm classes meet from 12:40 pm to 1:10 pm

1:00 pm classes meet from 1:20 pm to 1:50 pm

Classes beginning at 2:00 pm or after start and end on time.

Tuesday & Thursday Classes

8:00 am classes meet from 10:00 am to 10:50 am

9:00 am and 9:30 am classes meet from 11:00 am to 11:50 am

10:00 am and 11:00 am classes meet from 12:00 pm to 12:50 pm

1:00 pm and 1:30 pm classes begin at 2:00 pm and end on time

The college will follow the *delayed schedule*, unless severe conditions occur. Every reasonable effort will be made to announce the beginning of classes on a *delayed schedule* or the cancellation of classes over local radio and television stations.
